## Why Professionals Choose EMIBIG

- **100% Made in Poland** - Full control over the supply chain and European production standards.
- **Global Trust** - A proven partner for distributors and developers across 30+ countries.
- **10-Year Warranty** - We don't just promise quality; we guarantee it for a decade.

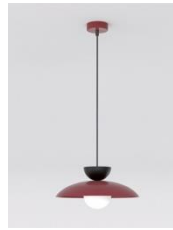

**The Soul of European Manufacturing**  
At EMIBIG, lighting is more than just a product - it is a family legacy. Based in Częstochowa, Poland, we are a true European manufacturer led by siblings Simon and Emilia. Our heritage is built on the foundation of traditional craftsmanship blended with modern industrial agility.

Every lamp that leaves our facility is a testament to European quality, supervised personally by the owners to ensure perfection in every weld, finish, and assembly.

- **High Customization & Bespoke** - Your vision, our craft. We adapt our designs to fit your specific project requirements.
- **White Label Production** - Specialized manufacturing solutions for brands seeking premium European quality under their own label.
